**2017 batches: 5, 16,**

**2018 batches: 3, 4, 5, 8**

Oritain has collected, tested and analysed batches of honey produced by Bees & Trees to establish a fingerprint of origin. Oritain can compare honey samples to this origin fingerprint to verify that the product is consistent with origin claims.

Oritain Global Limited scientifically verifies the origin of food. Further information about the origin of a product bearing an Oritain certification can be accessed through Oritain's website: [www.oritain.com/verify](http://www.oritain.com/verify)

Oritain Global Limited

This certificate of origin is based on samples and information collected by Oritain and is not to be taken as a warranty or representation of fact.
